

Slider Rail™

The Slider Rail™ by APS Resource provides an excellent visual barrier in the workplace. It easily glides open to provide access to protected work areas.

- Effective barrier for protecting personnel working in a hazardous area
- Can be paired with APS Resource Sentry Rail LT™
- High visibility yellow powder coat
- Easy operation; no electrical requirements
- Latches closed when not in use
- 42" top rail meets OSHA standard for withstanding 200 lbs. of force from any direction
- Available in 20' (opens 10') & 30' (opens 20') sizes
- APS Resource warrants this product will be free from defects and workmanship under normal use for (1) year
