

# WeatherWall™

The WeatherWall is a unique style of brush weatherseal. The WeatherWall has a sheet of EPDM rubber surrounded by a layer of brush on each side. You get the benefits of brush seal with the air stopping feature of a EPDM rubber seal.

## Design Highlights

- Heavy duty water tight propylene bristles
- Durable, synthetic EPDM air tight membrane
- WeatherWall can be used anywhere you would normally use brush style weatherseal - doors, docks, conveyors, etc.
- Available in various sizes
- Brush deters rodents and insects from entering around the dock or doors at Food & Pharmaceutical facilities
- 1 year limited warranty
