

Pipe Bollard Cover

BOLLARD COVER SPECIFICATION

Immediately enhance your property's appearance without costly painting or clean up! These yellow units fit securely over existing bollard posts and come with two standard safety red or handicap blue reflective safety stripes. Constructed of 1/8" thick, high density, UV stabilized polyethylene for durability and extended color life.

Design Highlights

- Safety yellow enhances visibility with red or blue reflective stripes (standard)
- Heavy-duty polyethylene body with 1/8" wall thickness
- Easy installation
- Various sizes available for most applications
- APS Resource warrants this product will be free from defects in material and workmanship under normal use for (1) year.
