

Z-Guard

DOOR TRACK PROTECTION SPECIFICATION

Z-GUARD is a cost effective solution to protect your overhead door tracks from costly repairs. Z-GUARD wraps a layer of steel around the door track and mounts easily to the adjacent wall. The low profile design protects the door track without interference to the door operation.

Design Highlights

- Heavy-duty steel construction
- Powder coated safety yellow for high visibility and lasting durability
- Mounting holes for 1/2" mounting hardware (hardware not included)
- Sold in pairs; universal right-hand or left-hand track mounting
- Available in 3/16" (Standard Duty) or 1/4" (Heavy Duty) thick steel
- Available in various heights
- Custom sizes available, use survey #AP7172
- Installation instructions provided, use instruction #AP7282
- 1 Year Limited Warranty
