

Sentry-Rail LT™

PROTECTIVE RAIL SYSTEM SPECIFICATION

SENTRY-RAIL LT is a cost effective solution to protect your facility, equipment and personnel. The simple design is easy to setup and install, and provides an excellent visual barrier.

Design Highlights

- All steel construction
- Powder coated safety yellow for high visibility and lasting durability
- 42" double rail meets OSHA 1926.502 for fall protection systems
- Lift out rail design provides quick and easy access
- 8' rail sections can be cut to custom lengths in the field
- Post caps included for visual appeal
- Add rails to the existing system as your needs grow
- 3/8" x 4" industrial-grade anchors provided
- Installation instructions provided, use instruction #AP7251
- 1 Year Limited Warranty
