

# Work Safe Gate™

## SPECIFICATION

The Work Safe Gate™ by APS Resource provides excellent visual protection for personnel. The yellow and black design provides high visibility. The easy to operate gate lifts effortlessly out of the opening for complete access.

### Design Highlights

- Effective barrier for protecting personnel working in a hazardous area
- High visibility yellow/black striping
- Safety latch mechanism securely keeps gate closed. Can be locked-out with padlock
- Easy operation; no electrical requirements
- 42" top rail meets current OSHA standard for withstanding 200 lbs. of force from any direction
- Available in 6', 7', 8', 9', 10' sizes (approximate weight: 135 lbs.)
- APS Resource warrants this product will be free from defects and workmanship under normal use for (1) year
